The Ostrow School of Dentistry of USC seeks applicants for a full-time, non-tenure-track position at the rank of Associate Professor of Clinical Dentistry in the Division of Dental Public Health and Pediatric Dentistry.

Responsibilities include participating in various management activities of a large-scale public health research and service grant that provides prevention and treatment services to children aged 0 to 5. Duties will also include developing and accessing sustainability aspects of the project and delivering professional outreach programs related to the objectives of the grant, as well as, teaching at the pre- and/or post-doctoral level at School and affiliated satellite sites.

Candidates must have a DDS or DMD degree or equivalent and be licensed to practice dentistry in the State of California. Candidates should also have prior experience and training in health care management and related public health care fields. Candidates with additional education (MS or MPH) in health care management or public health fields are strongly encouraged to apply.

Interested applicants should submit a cover letter, complete curriculum vitae, and arrange to have at least three letters of reference sent to:

Dr. Roseann Mulligan, Division Chair
Division of Dental Public Health & Pediatric Dentistry
Ostrow School of Dentistry of USC
C/O Eleanor Aguilar
3305B S. Hoover Street
