DIVISION OF DENTAL PUBLIC HEALTH & PEDIATRIC DENTISTRY

The Ostrow School of Dentistry of USC seeks applicants for a part-time, non-tenure-track position at the rank of clinical assistant professor in the Division of Dental Public Health and Pediatric Dentistry.

Responsibilities will include providing anesthesia services to children and compromised adults at affiliated sites and the School, as well as teaching at the predoctoral and postdoctoral level.

Candidates must have a DDS or DMD degree from a CODA accredited program, a certificate in Dental Anesthesiology from a CODA accredited, postdoctoral program in Dental Anesthesiology, and be board certified or a board eligible candidate of the American Board of Dental Anesthesiology (ADBA). Candidates must also hold a California Dental License and a General Anesthesia permit. Previous experience in caring for children and special needs and underserved patients in out-patient settings and the operating room is required. Individuals with additional education in community health and in care delivery in an academic setting are strongly encouraged to apply.

Interested applicants should submit a cover letter, complete curriculum vitae, and arrange to have at least three letters of reference to:

Dr. Roseann Mulligan, Division Chair
