

# Herman Ostrow School of Dentistry of USC

## **DIVISION OF PERIODONTOLOGY, DIAGNOSTIC SCIENCES AND DENTAL HYGIENE**

The Herman Ostrow School of Dentistry of USC seeks applicants for a part-time, non-tenure-track position at the rank of Clinical Assistant Professor in the Division of Periodontology, Diagnostic Sciences and Dental Hygiene.

Primary responsibilities will include clinical and didactic instruction at the predoctoral level, as well as contributing to the development of curriculum related to physical evaluation, oral cancer screening, data collection, radiographic interpretation and techniques, and periodontology in collaboration with the disciplines of oral medicine, oral pathology, oral radiology, and restorative dentistry.

Candidates must have a DDS or DMD degree and be licensed to practice dentistry in the State of California or eligible for California licensure. Preference will be given to candidates with teaching experience in problem based learning and academic expertise in didactic and clinical instruction in a learner-centered environment.

Interested applicants should submit a cover letter, complete curriculum vitae, and arrange to have at least three letters of reference sent to:
