The Ostrow School of Dentistry of USC seeks applicants for a part-time, non-tenure-track position at the rank of clinical assistant professor in the Division of Dental Public Health and Pediatric Dentistry.

Responsibilities will include teaching in inter-professional settings at the predoctoral level in affiliated clinics and programs with other healthcare discipline faculty and students.

Candidates must have a DDS or DMD degree and be licensed to practice dentistry in the State of California. Individuals who have completed General Practice Residency (GPR) training or who have additional experience in interdisciplinary care in community health settings are strongly encouraged to apply.

Interested applicants should submit a cover letter, complete curriculum vitae, and arrange to have at least three letters of reference to:
