The Ostrow School of Dentistry of USC seeks applicants for a part-time, non-tenure track position at the rank of clinical assistant professor in the Division of Dental Public Health and Pediatric Dentistry.

Responsibilities include clinical supervision and instruction of USC dental students at our Mobile Dental Clinic, which provides care to underserved children, mainly in farming areas of central and southern California. Duties include providing screening and care to patients, and assisting in the coordination of services and auxiliary staff at these sites. These week-long Mobile Clinic sessions are often out of the Los Angeles area, requiring out of town travel and lodging in rural communities.

Candidates must have a DDS or DMD degree, and be licensed to practice in the State of California. Candidates with additional education (MS, MPH), clinical training (AEGD, GPR) and/or experience in pediatric dentistry, public health, and/or community dentistry are strongly encouraged to apply.

Interested applicants should submit a cover letter, complete curriculum vitae, and arrange to have at least three letters of reference sent to:
