DIVISION OF RESTORATIVE SCIENCES

The Ostrow School of Dentistry of USC seeks applicants for a full-time, non tenure-track position at the rank of Assistant Professor of Clinical Dentistry in the Division of Restorative Sciences.

Responsibilities will include didactic and clinical teaching in the School's new Advanced Operative Dentistry Program, as well as instruction in Operative Dentistry and Fixed Prosthodontics at the predoctoral level. The successful candidate will also be expected to participate in research and other scholarly activities at the School.

Candidates must have a DDS/DMD or equivalent degree and a valid dental license. A Certificate in Advanced Operative Dentistry is highly desirable. Preference will be given to individuals with a Master's or PhD degree with a record of clinical research and scholarly activity.

Interested applicants should submit a cover letter, complete curriculum vitae, selected publications, and arrange to have at least three letters of reference to:
