

**FRIENDS OF DENTISTRY IS THE PREMIER SUPPORT GROUP** for the Ostrow School of Dentistry. Friends of Dentistry members are given the opportunity to contribute toward the area of their choice within the school. Whether they give to departments or programs, facility improvements, community outreach, scholarships, or to further the Dean's priorities, they are all instrumental in continuing the growth and achievement of the Ostrow School of Dentistry.

While an investment in the Ostrow School of Dentistry's future offers its own rewards, Friends of Dentistry members receive a variety of benefits acknowledging their special relationship with the school and the university. Courtesies expand with pledge levels, but all members receive:

- ~ *Exclusive invitations to a variety of social, cultural and athletic events*
- ~ *Concierge assistance with USC requests*
- ~ *Your name listed on the Friends of Dentistry online Honor Roll*
- ~ *Visit the website to see a list of all courtesies: <http://dentistry.usc.edu/friends>*
